

FLESH FROM THE LAB

APPETIZER

Bloody Teeth

Fangs extracted nightly from Organic Vermont Vampires, dipped in Virgin Blood

Spider Web Eggs

200 year old Doe-Doe eggs boiled in black spider guts

MAIN DISH

Bat Wings

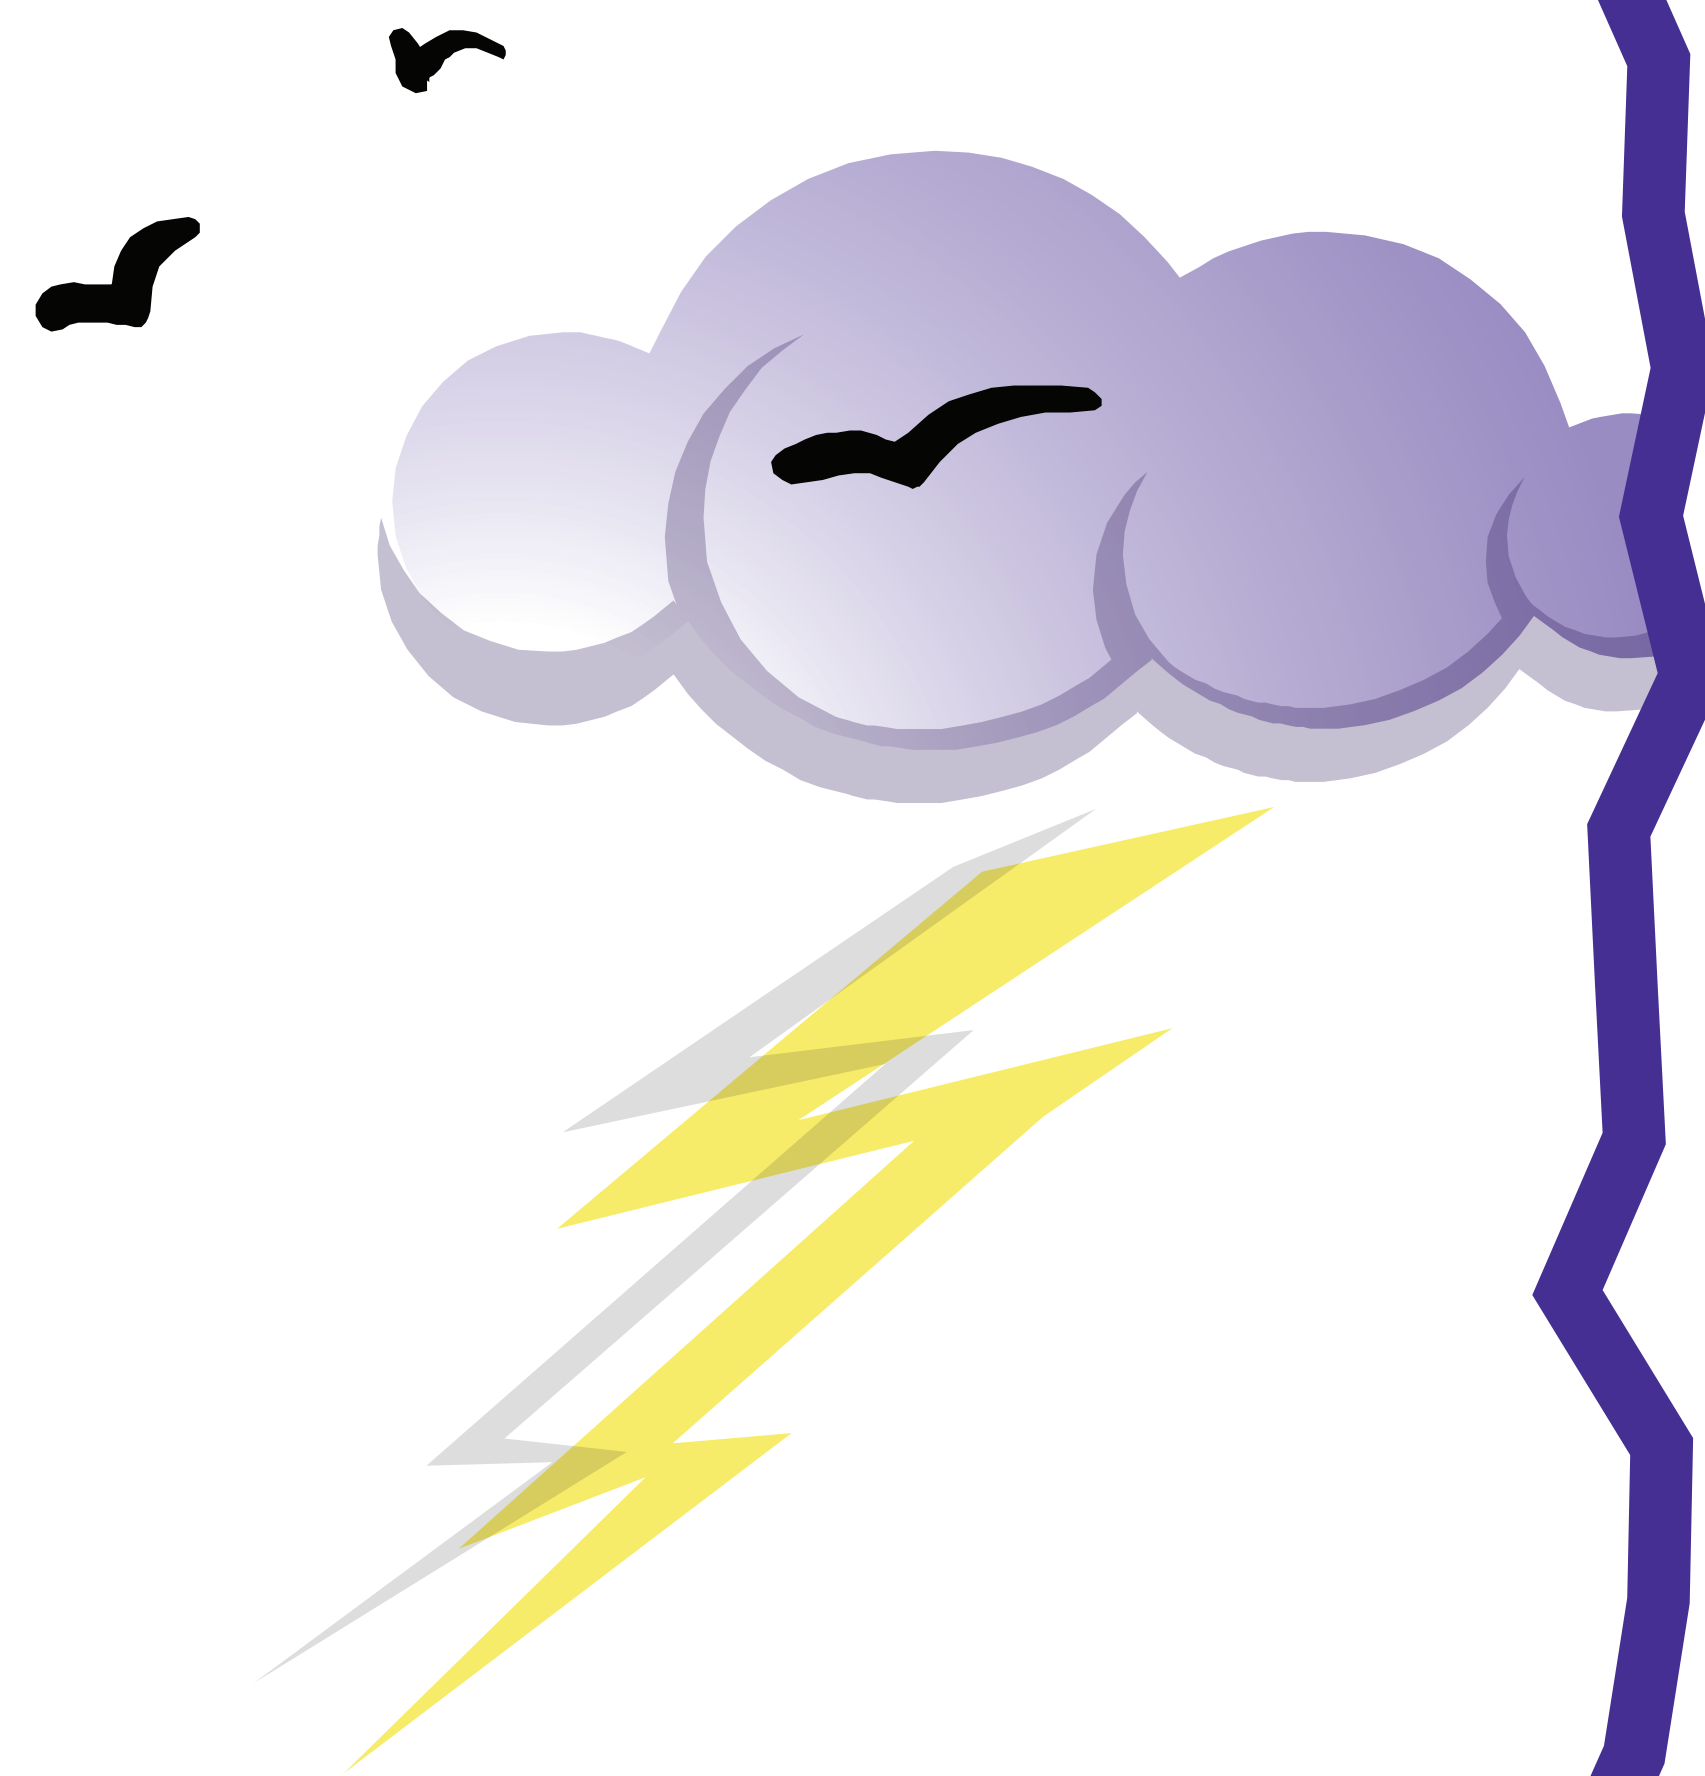

Flying in fresh each night are our flocks from Finland, simmered in fiery phlegm sauce

Crispy Caterpillar Cocoons

Hand picked Vegan caterpillars picked at plumpest sautéed in cocoons

Boogers on a Stick

Sticks cut daily, lightly dipped in New Zealand Kiwi Boogers

DESSERT

Frosted Witches

Shrunken western wicked witch heads swirled in essence of eternal stench

Fingers

Intestine dried cadaver fingers

Dirt and Worms

Seasonal dirt sifted from Lock Ness monster poop tossed with ripe night crawlers
